- doge

Comments • more comments in QQ Kachoo would be optimal, a  
extension bit more in Driver would be helpful too  
2.5

Style whitespace consistent, clear  
4

Robustness  
• clean implementation. w/ ArrayList  
4

README.md  
clear reason for ArrayList, comprehensive

3.8 More can be added, expand on efficiency  
(ie. runtime).

Good = explaining every method (why).
